SUBJECT	RE: Revised quote – Zoë & Co. mezzanine £15,746.75 (rev C)

Message

Hi Matthew,

Thanks for the call this morning. As discussed, here is the revised quote for the mezzanine at the Zoë & Co. unit in Wolverhampton (Café Rouge Lane).

Summary of pricing:
- Supply and fabricate steelwork: £14,250.00
- Delivery to site (Lichfield): £1,180.50
- Shims and packers: £316.25

Total excl. VAT: £15,746.75

Please note the following “smart quotes” and an ‘apostrophe’ are used here, together with a tab: done. Temperature rating 20°C, tolerance ± 2mm, 3 × M20 bolts, ½ inch packers.

Drawings are at https://example.com/portal/projects/2026/phantom-peak/drawings?rev=C&issue=2 and the data sheet is here <https://example.com/files/data-sheet-DM-260805-10296.pdf>.

A very long unbroken reference for wrapping: ABCDEFGHIJ0123456789ABCDEFGHIJ0123456789ABCDEFGHIJ0123456789ABCDEFGHIJ0123456789ABCDEFGHIJ0123456789ABCDEFGHIJ0123456789ABCDEFGHIJ0123456789ABCDEFGHIJ0123456789

Point 1. The cold rolled sections will be delivered to the Lichfield yard on the agreed date, subject to confirmation of the mill programme. Please confirm that the site team can accept delivery from 7am, that the access route is clear of parked vehicles, and that a forklift with a minimum 3 tonne capacity is available. If any of this is not possible we need to know by Thursday so the haulier can be rebooked without penalty.

Point 2. The cold rolled sections will be delivered to the Lichfield yard on the agreed date, subject to confirmation of the mill programme. Please confirm that the site team can accept delivery from 7am, that the access route is clear of parked vehicles, and that a forklift with a minimum 3 tonne capacity is available. If any of this is not possible we need to know by Thursday so the haulier can be rebooked without penalty.

Point 3. The cold rolled sections will be delivered to the Lichfield yard on the agreed date, subject to confirmation of the mill programme. Please confirm that the site team can accept delivery from 7am, that the access route is clear of parked vehicles, and that a forklift with a minimum 3 tonne capacity is available. If any of this is not possible we need to know by Thursday so the haulier can be rebooked without penalty.
